

ONE ON ONE WITH EVERYONE.

The Adrenalin Way: Connect

Never before has communication become so instinctive, personal and simple. A bulk mailer to convey your message to everyone. Surveys that make your point. Info-sharing that keeps the communication going. SMS and mailing integration that connect you remotely, on the go. A portal feature that aids the CEO to connect directly with everyone, wish, share, celebrate. Along with the flexibility to use the language of the geography you are in. So open up, just click to connect via Adrenalin.

Adrenalin 4.0 with the interactive ZOLOG technology offers:

CEO Speaks: Helps the CEO connect with all employees directly.

Surveys & Announcements: Opinions that matter reach the right places.

Bulk-Mailer: Communication can now be done faster, simultaneously.

SMS: Mobile phone compatibility and integration with Outlook Express for instant responses.

Info-sharing: Never stay in the dark, stay informed.

Multi-lingual: Choose to work in your language across various geographies.
